HOLIDAY MIXER

We are extremely excited to have BayStar Restaurant Groups as one of our CFY partners. Not only do they help us with hosting events they are also the sponsor of our Youth Athlete Reimbursement. They were tremendous in providing the hospitality for CFY to host our 2nd holiday mixer at Island Way Grill. The event helped CFY bring in new people to learn more about what's new at CFY and the growth of what is happening at CFY. As CFY continues to grow throughout Pinellas county we continue to get the message out of the importance of CFY's 3 Pillars: Education, Athletic Grants and Water Safety.
