

SERVING THE YOUTH OF PINELLAS COUNTY

**The CFY/SPC (St. Petersburg College) Scholarship Program** is a partnership between both organizations based upon the joint commitment to the youth of Pinellas County via offering educational opportunities to graduating Pinellas County seniors with an emphasis on financial needs based and also involvement with CFY sponsored programs during their childhood. The CFY organization believes that through youth athletics many life skills are learned to create great citizens in our community and annually financially supports thousands of Pinellas County Childrens access to community-based youth athletics programs.

CFY through its Richard O. Jacobson Post Secondary Scholarship Program has provided over \$900,000 since 2013 to over 150 graduating seniors and education support makes up 23% of CFY's annual giving. SPC has a long-standing tradition of providing scholarship opportunities to assist students on their educational journey at SPC. As you are applying, please keep these thoughts in mind as you are writing and posting information. This is **not** the only evaluation tool used; however, weight is given to individuals who match some of the desired values and characteristics.

The CFY/SPC Scholarship Program is only for students looking to attend St. Petersburg College to participate in a Two-Year Associate Degree program and the scholarship is not transferable to any other school and is available for two years.
