

# CONGRUITY HR + CFY PINELLAS THE POWER OF COMMUNITY

## Support Your Workforce. Support CFY.

Since 2011, Congruity has been transforming the HR experience for small and medium-sized organizations by empowering them to focus on growing their business while we focus on taking care of their greatest assets: **their people.**

We understand that happy employees build happy families, and happy families build communities. That's why we're so proud of our partnership with CFY Pinellas. Our missions are aligned, we have a shared commitment to building resilient communities, and when you work with Congruity, **20% of all administrative fees are donated right back to CFY** so they can fuel even more programs for kids and families.
